

# MALAYSIAN ASSOCIATION FOR THORACIC AND CARDIOVASCULAR SURGERY

**APPLICATIONS ARE INVITED FOR ENTRY INTO THE 6 YEAR CARDIOTHORACIC SURGERY PARALLEL PATHWAY TRAINING COMMENCING 1 JULY 2022 ORGANISED BY THE MALAYSIAN ASSOCIATION OF THORACIC AND CARDIOVASCULAR SURGERY, THE MINISTRY OF HEALTH MALAYSIA, THE ACADEMY OF MEDICINE OF MALAYSIA AND THE ROYAL COLLEGE OF SURGEONS OF EDINBURGH**

## 1. TERMS OF APPLICATION

Applicants are required to fulfil the following requirements:

- 1.1 Possession of basic degree in Medicine e.g., MBBS, MD or equivalent, recognised by the Malaysian Medical Council.
- 1.2 Possession of Membership qualification of the Intercollegiate MRCS (Parts A & B) from any of the Royal College of Surgeons of the UK.
- 1.3 Full registration with the Malaysian Medical Council (MMC) with valid Annual Practising Certificate (APC).
- 1.4 Post registration working clinical experience of at least 2 years.
- 1.5 Minimum 2 years of experience as a Medical Officer in surgical disciplines of which at least 6 months must be in Cardiothoracic Surgery and 6 months in General Surgery. Experience in Cardiology, Chest Medicine, Intensive Care, Emergency and Trauma will be an advantage.
- 1.6 Permanently appointed and confirmed in service on closing date of application.
- 1.7 Served the Ministry of Health, Universities, Institute Jantung Negara (IJN) or other acceptable institutions for a minimum period of 2 years on the closing date of the application, and eligible for receiving Training Scholarships from the Ministry of Health, Universities, or IJN.
- 1.8 Age not more than 35 years on the closing date of the application.
- 1.9 MOH candidates are required to have a good appraisal assessment of 85% or more for the last 2 years.
- 1.10 Never received any sponsorship from the government of Malaysia for similar level of training.
- 1.11 No history of resigning or failing in any course organised by the government of Malaysia.

## 2. PROGRAMME SUMMARY

- 2.1 Mandatory training period of 4 years in accredited MOH centres, Institut Jantung Negara or University of Malaya Medical Centre in the field of Cardiothoracic surgery before commencement of another 2 years of Higher Surgical Training in relevant areas of interest which will be determined later and may include a training period spent overseas.
- 2.2 Subject to conditions, candidates will be eligible to attempt the examination of Fellow of the Royal College of Surgeons of Edinburgh in Cardiothoracic Surgery (FRCS Ed Cardiothoracic) after satisfactorily completing 4 years of training.
- 2.3 On successfully completing six years of training and passing the FRCS Ed Cardiothoracic examination, candidates will need to satisfactorily complete a further 1 year of supervised practice at a recognised institution before being eligible for admission into the National Specialist Register (NSR) in Cardiothoracic Surgery.

### 3. OFFER TERMS AND CONDITIONS

3.1 Candidates may be placed in any accredited centre at any time during the period of training.

3.2 Candidates must be in receipt of a scholarship from the Ministry of Health Malaysia (*Hadiah Latihan Persekutuan*), Universiti or Institut Jantung Negara.

3.3 Shortlisted candidates will be invited for a selection interview and assessment.
